### Notice:

The data contained within this report should not be used for and does not provide menu planning for a child with a medical condition or food allergy.

\*Ingredients and menu items are subject to change or substitution without notice. Please consult a medical professional for assistance in planning for or treating medical conditions.

We encourage all our families to set up a "My School Bucks" account for the cafeteria meals. This can keep the cafeteria lines moving since money won't be changing hands. You can set up "low balance" reminders so your child always has the option to dine in the cafeteria.

Thank you for your support!
